December 8, 2017

To: Potential Dogwood Festival Indoor Arts & Crafts Exhibitors

It's about that time of the year again. The yearly Dogwood Festival Indoor Arts & Crafts Show in Camdenton will be here soon. A new rule will be going into effect this year in hopes to streamline the vendor application process. All previous vendors have first priority until January 1, 2018, at that point it is equal opportunity for all new vendors. This means, if you have been a previous vendor we will only hold the spot for your business until the first of the year. We are doing this because we have many vendors each year who tell us they will be there but don't turn in their applications therefore we have prevented other vendors with the same products from coming. This rule will also include the space location you request each year.

The students have been working in a meticulously to set up the show this year! We are extremely excited for another great turnout this year, doing more on social media to reach even more people in our community. If you are aware of anyone that may like to be a part of our event, or suggestions on great websites/social media groups to advertise our information please let us know. We want to make this a wonderful event for the masses!

Please see the enclosed documents in which you will find registration forms and other pertinent information. If you plan to use electricity please call prior to sending in your application for approval. The deadline for all applications will be March 9, 2018.

You may begin set-up at 4:00 pm on Friday, April 20, 2018. The show hours are from 5:30 pm until 8 pm that night and from 9 am until 4 pm on Saturday, April 21. Information and forms are also available on the Camdenton Chamber of Commerce web site:

www.camdentonchamber.com.

We hope it will be a successful event for you and a valuable learning tool for the DECA students. We are all looking forward to working with you!

If you have questions, please contact the DECA students at 573-346-9203 or chsdeca@camdentonschools.org.

Thank you,
Camdenton DECA Students
