MESSAGE FROM THE OUTGOING CHAMBER PRESIDENT **AMANDA HAYES**

As President of the Camdenton Area Chamber of Commerce, it is an honor to reflect on a remarkable year of growth, collaboration, and community engagement. Through the unwavering dedication of our Board, staff, and members, we have successfully expanded our membership and enhanced the impact of our activities, fostering a thriving business environment in the Camdenton area.

Our membership base has seen significant growth, as more local businesses join our Chamber to take advantage of networking opportunities, professional development, and the collective strength that comes from being part of a dynamic business community. We've also hosted a range of member-focused events and activities designed to help businesses succeed and connect, making 2024 a year of exceptional partnership.

Perhaps the most notable success of the year was the Lake of the Ozarks Air Show, which saw a record-breaking 14,000 in attendance and many new sponsorships. This event brought the community together, showcased the area's unique assets, and provided valuable exposure for our sponsors and community businesses.

As a membership-driven organization, our primary focus is to support our members and help them thrive. Thanks to the hard work of our Board and staff, particularly Executive Director K.C. Cloke and Administrative Assistant Dorothy Urlicks, we have had an exceptional year. Their dedication and leadership have been instrumental in our success.

We look forward to continuing this momentum in the year ahead, serving our members and the broader Camdenton community.

MESSAGE FROM THE INCOMING CHAMBER PRESIDENT **DYLAN CARVER**

When I look back and reflect on 2024, I realize all the wonderful items we accomplished at the Camdenton Area Chamber of Commerce. What an amazing community we have. The chamber had yet another year of growth and success!

The Chamber continues to promote our members and community through many events, including the Dogwood Festival, Leadership Camden County, Christmas on the Square, Lake of the Ozarks Air Show, and the Home, Business, & Lake Living EXPO. This year the Air show saw a record amount of attendance and brought a lot of economic revenue to the area. The event was a major success.

This year the Chamber Board of Directors met for a full day evaluating our membership survey and developing our 2025 strategic growth plan. As we look forward to next year, the chamber will be focused on launching an Ambassadors Program to provide more member touch points throughout the year, a Communications Committee to better highlight

SHOP LOCAL INITIATIVES SUPPORTED BY THE CAMDENTON AREA CHAMBER OF COMMERCE - SMALL BUSINESS SATURDAY AND THE CAMDENTON AREA CHAMBER HOLIDAY SHOP HOP

The Camdenton Area Chamber of Commerce, like many chambers of commerce across the nation, was a huge supporter of Small Business Saturday® on Saturday, November 25th, 2023. Alongside the Small Business Saturday campaign, the Camdenton Area Chamber also took over the Camdenton Christmas Shop Hop, transitioning it to the Camdenton Chamber Holiday Shop Hop, which is a local initiative that rewards shoppers for visiting participating businesses during the holiday season. With the Camdenton Area Chamber taking this event over there were some major enhancements to the annual program which included extending the eligibility for businesses to participate to any Camdenton Chamber member business and not just those within the city limits of Camdenton, PLUS the initiative was extended by two weeks allowing additional time for shoppers to participate.

The Camdenton Area Chamber Holiday Shop Hop campaign is Free to participate in, and individuals are invited to pick up a Holiday Shop Hop ticket at any of the participating businesses or at the Camdenton Area Chamber of Commerce office. Individuals are then encouraged to visit as many of the participating businesses as they wish. The more visits the better the odds of winning various gift certificates to spend just in time for the holidays. The campaign runs from mid-November until mid-December each year.

Join the Camdenton Chamber of Commerce as we continue our Small Business Initiative with Small Business Saturday on November 30th, 2024, and the Camdenton Area Chamber Holiday Shop Hop which will run from November 15th until December 16th, 2024.

CHRISTMAS ON THE SQUARE

This holiday tradition continues to grow each year both through activities and offerings as well as attendees.

In 2023, the events brought close to 1,300 attendees who enjoyed holiday activities including a visit with Santa, Mrs. Claus, Frosty, and the Grinch. Over 20 businesses and organizations filled the courtyard offering games, prizes, sweet treats, and giveaways to all those in attendance. The Friday evening Tree Lighting Ceremony was a hit as well as community members gathered to enjoy performances from local aerial silk performers and the award-winning Show Me Athletics competitive cheer teams, shopping with various vendors, caroling, and witnessing the official tree lighting commencement.

Tree Lighting Ceremony will be held on Friday, December 6th, 2024, from 5pm until 7pm and will include food trucks, a Christmas Market, Caroling, local youth performances, aerial silk performances, music, and the official lighting ceremony at 6 pm with local dignitaries in attendance.

Christmas on the Square, this Free Community event, will be held on Saturday, December 7th, 2024, from 10:30 am until 1 pm with the arrival of Santa at 11:30 am.

CAMDENTON AREA CHAMBER HOSTS RECORD-BREAKING LAKE OF THE OZARKS AIR SHOW!

The Camdenton Area Chamber of Commerce kicked off September by hosting the Bi-Annual (every even year) Lake of the Ozarks Air Show, which was a huge success based on record-breaking numbers (both attendees & sponsorships). We'd like to thank the City of Camdenton for allowing us use of the Airport facilities to host this community event favorite. "Our biggest challenge was parking due to the overwhelming and unexpected crowd of approximately 14,000 people" stated Chamber Director, K.C. Cloke. "Our planning Committee held a wrap-up meeting the following week of the event to discuss the challenges and feel confident that we've come up with great solutions in preparation for the 2026 Air Show which is planned to take place on September 12th, 2026.

This year's event featured new additions including a VIP Performer's Party on Friday, September 6th with a dusk performance by performers Brian Correll and Bob Richards and a presentation by Air Force Legend, A-10 pilot, Lt. Col. "Karl" Marks. Saturday's activities included the traditional fan favorites as well as an A-10 fly over AND landing (meet & greet with A-10 pilot), and a Mig-17 performance.

We extend our heartfelt gratitude to our Presenting Sponsor, Bridal Cave, and to all of our sponsors for making the Lake of the Ozarks Air Show a huge success. Your generous support and commitment to our community is unwavering!

MESSAGE FROM EXECUTIVE DIRECTOR K.C. CLOKE

It's been a great year serving our membership and our community. I'm so proud to have witnessed phenomenal growth in both the Camdenton area as well as the Lake as a whole, new opportunities providing support to the many challenges our small businesses face such as housing and workforce, and lastly, the amazing synergy that continues to grow across the Lake of the Ozarks region through partnerships and collaborations.

Our Chamber's events have seen remarkable growth as well, most notably the Lake of the Ozarks Air Show, which boasted a record year in both sponsorships and attendance, attracting over 14,000

spectators in just one day! This demonstrates the significant impact of events in driving our local economy, benefiting not only the businesses directly involved, but also contributing to the re-spending of dollars within our community.

Additionally, I'm thrilled to announce that, thanks to the direct efforts of the Camdenton Area Chamber of Commerce, Camden County has officially become a Certified Work Ready Community. This achievement underscores our commitment to enhancing workforce development and creating opportunities for our region.

In the last year, the Camdenton Area Chamber of Commerce has proudly welcomed 60 new members and commemorated 22 significant business milestones with ribbon-cutting ceremonies. This reflects the remarkable success and growth our community is experiencing. Such accomplishments are made possible by the outstanding support from our community.

I want to extend my heartfelt gratitude to my Board of Directors for their dedication and guidance and most importantly, for supporting my desire to pursue continued professional development in the chamber industry. I had the honor of attending the Missouri, Arkansas, Kansas, and Oklahoma Chamber Conference (MAKO) this spring, completing the Missouri Chamber of Commerce Chamber Management Academy early this Fall, and finishing up the year with attending the Annual Chamber of Commerce Executives of Missouri Fall Conference. Each of these opportunities has allowed me to engage with other chamber professionals from across the Midwest and learn new opportunities to better support and serve our organization and our members.

Our Chamber Volunteers—comprised of Committee Chairs, Committee Members, and Event Volunteers—have certainly demonstrated their immense value this year. I cannot express enough gratitude for their relentless dedication, adaptability in the face of new challenges, and positive attitudes in achieving numerous successful initiatives.

If you're interested in learning more about how the Chamber works for our members or if you'd like to get more involved, I encourage you to please reach out and I would love the opportunity to discuss how we can continue to grow together.

To our continued success!

~K.C. Cloke
