Roy Elliott

Originally from California (don't hold that against him), Roy moved to the lake area 6 years ago from the Phoenix, Arizona area where he lived for 25 years. During his time there he played guitar and bass in several bands within that area. While playing in the lake area with his band Kingpin, he found a new home. Unfortunately scheduling conflicts led Kingpin to not be available for many gigs which led Roy to pursue acoustic guitar/vocal gigs solo and it took off. Roy takes great pleasure in playing at all the fine establishments at the lake and is looking forward to performing for the community at this year's Dogwood Festival.
